

Dear Business Owner:

DO YOU WANT FREE ADVERTISING??? - I am looking for community business members who would like to take advantage of a people-powered FREE zip/postal code "LOCAL BUSINESS DIRECTORY" and classified online newspaper, www.NoPayClassifieds.com.

The "SERVICES - LOCAL BUSINESS DIRECTORY" section link on our homepage takes you to preset categories of business listings for your business to help people find you in your hometown, as well as their business and travel destinations.

All FREE local business listings and classifieds include up to 150 words of text and a color photo, so you may offer your own business writeup and profile in order to share detailed factual information about your business, such as your hours of operation, credit cards you accept, years in business or seating capacity, for example. You may update your FREE ad as often as you like. A single mouse click allows FREE renewal of your listing.

To help spread the word of this new website, Founder John Lambros is offering ALL UPGRADES - sponsored ads, automatic submission tools, color ads - **FOR FREE UNTIL JANUARY 2009**. All basic local business listings and classifieds will always be FREE.

THANK YOU for allowing "No Pay Classifieds" to help you buy, sell and connect with others in your Zip/Postal Code, state, country, or fifty (50) worldwide markets.

Your business needs to be found online to grow!!!!

Sincerely,

John G. Lambros, Founder
